

FOR IMMEDIATE RELEASE

June 27th, 2011

Norwalk, Ohio –Dave Hill and the Ameling/Hill Motorsports A/Fuel Dragster team leave Summit Motorsports Park content, but looking for improvement. A first round loss and 15th place qualifying effort was a disappointment for the Hill and the optimistic Indiana-based team.

“Drag racing is a very humbling sport. You have to roll with the highs and the lows. We made a great attempt on Saturday night in the first round of eliminations, but came up a little slower than our competitor. We’ll head home and get a plan together for the divisional and be back here next weekend. It was still a good weekend, we ran season-best numbers. My crew did a great job this weekend, they stick with it whether we win or lose,” said Hill.

Dave and the Nitro Fever Racing Top Alcohol Dragster team will return to Norwalk this Saturday for the rescheduled Cavalcade of Stars NHRA Division 3 race. The tentative schedule includes one optional qualifying round on Saturday night, with final qualifying on Sunday morning and the beginning of eliminations set for Sunday afternoon. After that, the team will return to Route 66 Raceway in Joilet, Illinois for the O’Reilly Auto Parts Rt. 66 NHRA Nationals.
