

FOR IMMEDIATE RELEASE
May 11, 2011

Norwalk, Ohio-May 11, 2011 – Dave Hill and the Nitro Fever A/Fuel Dragster team head to Summit Motorsports Park for the B'laster Cavalcade of Stars this weekend. The 5th Annual Cavalcade is the second NHRA Division 3 race of the year, as well as the second race of the year for Hill. After a lackluster season debut at the divisional in Indianapolis last weekend, Dave and the team are ready for a fresh start.

“Unfortunately we qualified 9th for an 8-car field, but we learned a lot that will help us do well in Norwalk. I feel that our crew chief, Ben (Ameling), has made the right changes that will improve our qualifying and race day efforts,” said Hill.

“I’m really excited to get out to Norwalk and race. We think that the car will be much more competitive. The Cavalcade of Stars is always a great event with excellent competitors and packed stands, so we’re ready to put on a good show for the fans. After a long winter and some changes that will improve our results, we’re more than enthusiastic to be running this weekend,” exclaimed the Valparaiso, Indiana resident.

Dave Hill’s Nitro Fever team will be competing in Top Alcohol Dragster. The first round of qualifying takes place on Friday evening, with two more rounds on Saturday. Eliminations will take place on Sunday morning. You can follow along with the results on www.drgracecentral.com and www.insidetopalcohol.com.
